

The perfect addition to every home's natural remedy kit & first aid cabinet.

**Antibacterial. Antiviral. Anti-inflammatory. Antioxidant.**

Our Hemp Honey is formulated using local and wildcrafted plants ensuring it is free from pesticides and contaminants. Our full spectrum extraction method preserves all the cannabinoids, terpenes and flavonoids in the perfect balance, just as Mother Nature intended!

Use for healing wounds and ulcers, soothing sore throats, preventing tooth decay, and for assistance with pain, sleep and anxiety.

135g \$44 • 225g \$88

Ingredients: Manuka Honey from Pillar Valley  
Sacred Herb from our Northern Rivers Growers Collective
