

## **COURSE MATERIAL UPDATES**

- **Better quality image for CBD Pie Chart**

## **ASSESSMENT UPDATES**

Nil

## **ADDITIONAL RESOURCES**

- **The Endocannabinoid System**

As a non-assessment extension, we have incorporated a fantastic 40-minute video on the Endocannabinoid System with this module. The video by Emma Cohen goes far deeper into the pharmacology and science elements within the endogenous ECS and the effect cannabis has within these systems. Enjoy the journey!

- **Why THC Dominant Formulas are Important for Brain Function**
